

# NY UAS Test Site and SkyDome 2024 Fee Structure

Oneida County, New York is the owner and manager of the FAA-designated New York UAS Test Site (NY UAS Test Site), at the Griffiss International Airport (GIA), Rome, NY. AX Enterprize, LCC (AX) manages day to day operations at the NY UAS Test Site (NYUASTS) and provides all technical support.

Organizations wishing to schedule and use the NY UAS Test Site or SkyDome resources will work with AX to determine the services needed, costs and required insurance. **Please email questions to [info@nyuastestsite.com](mailto:info@nyuastestsite.com).**

### Griffiss International Airport Resource Use Fees:

- NYUASTS Range and Operations Center Use ..... \$1,500/Day
- SkyDome Use..... \$2,000/Day
- Mobile Operations Center (MOC) Use ..... \$500/Day
- Oneida County Staff Support ..... \$320/Day

### Technical and Flight Operations:

The following fees below represent an estimated cost range based on test and experiment experience. The actual/final fees charged will be negotiated based on customer requirements.

- Airworthiness Assessment: All platforms to be flown at NYUASTS are evaluated for airworthiness. This involves reviewing operator manuals and inspecting the aircraft. The cost for this process depends on platform size and complexity.
  - Basic UAS, including COTS sUAS.....\$400 – \$1,600
  - Complex UAS, including certain large UAS..... \$1,600 – \$10,000
- Safety and Flight Readiness Review: The cost to conduct an Independent Safety Review and Flight Readiness Review depends on test complexity.
  - Basic flight test and/or payload test.....\$400 – \$3,200
  - Complex flight test, including multi-ship or BVLOS.....\$2,100 – \$6,300
  -
- NYUASTS/SkyDome/MOC Integration Technical Support: Tests may involve integration with the Test Site infrastructure such as communications and sensor feeds.
  - Basic integration/sensor data feed access.....\$800 – \$1,600
  - Advanced infrastructure integration.....\$1,600 – \$4,800
- Manned Aircraft Pilot.....\$1,000/Day
- Chase Plane with Pilot.....\$2,400/Day
- Mission Commander.....\$800 – \$1,200/Day
- Pilot w/UAS.....\$800 – \$1,600/Day
- Flight Engineer.....\$800 – \$1,600/Day
- Visual Observer.....\$600/Day
